Dear Sir

It is impossible  
to give value - or method  
of reaching it - for no  
valuation in detail has  
been made.

As written you nothing  
will be done until the  
autumn. One trustee  
is in Europe - another  
in Maine & the Appleton  
who alone has knowledge  
of details is away for  
the summer -

Yours truly  
Alpheus H. Hardy
